Sponsorship & Gift Aid Declaration Form

Gift Aid was introduced by the Government in 1990 and revised in April 2000; it allows charities to reclaim tax on your donations. This is a valuable way of raising income especially as most people pay tax. For example, it allows a donation of £10.00 from you to the CWUHA, to be worth £12.50* approx. The charity does all the work and the only requirement is that you are paying tax at the basic rate. We claim the money back from the Inland Revenue. It doesn't mean you have to pay extra tax or fill in any additional tax forms. So you will see that this is a simple way of your donation being worth more. (**Obviously the example given will alter with any change in the basic rate of tax.)*

1. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year (currently 20% which yields 25p for each £1 you give).
2. You can cancel this donation at any time by notifying us.
3. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration. (See note 1)
4. If you pay tax at a higher rate you can clam further tax relief in your Self-Assessment tax return.
5. If you are unsure whether your donations qualify for Gift Aid tax relief, ask the charity, or ask your local tax office for leaflet IR 65.
6. Please notify us if you change your name or address.

We very much appreciate your support and we can make a difference to children with your help.
