MAY 2018

CONVOY TO MOLDOVA

NEEDS LIST

CWUHA for the last 23 years have been delivering humanitarian aid to orphans and poor families in Eastern Europe. Using vehicles loaned to us free of charge from Royal Mail Group, BT, An Post and Eir we have sent 46 convoys and delivered nearly 2,000 tonnes of aid.

Eight vehicles will be travelling on our next convoy in May 2018 when they will be delivering aid to centres for disabled children, to an orphanage that cares for over 500 children, a centre for disabled children and vulnerable families in Moldova the poorest country in Europe.
